To whom it may concern.

In reference to case no. 95-031, the Mayor and the Commissioners of the City of Indian Hills-Cherokee would like to go on record as opposing the construction of a tower at 1913 Rudy Lane. Safety issues related to the harmful effects of radio waves as well as property value distractions are our primary concerns. The tower will also be aesthetically displeasing to those living and working around it. Please reject the tower at this location.

Sincerely,

The Mayor and Commissioners
City of Indian Hill-Cherokee
